

**INTERESTED IN VOLUNTEERING BUT DON'T HAVE THE TIME?
LOOKING FOR AN EASY WAY TO HELP?
YOU CAN SUPPORT OUR SCHOOL WHILE YOU DO YOUR SHOPPING!
Just print out this page and take it with you the next time you shop.**

Note to returning families: These programs require us to renew each year, so please visit the stores today or go online to re-link your cards for the 2010-2011 school year.

Our school ID number is **25142**. Give this number to any Bashas cashier and your Thank You Card will be linked automatically. You can also link your card online by visiting www.BashasShopAndGive.com. This link remains active through the end of the school year. At that time, Bashas will donate 1% of the total sales linked to our school ID number.

Below is the barcode for our school. Give this to any Fry's or Fry's Marketplace cashier to scan and link to your V.I.P. card. For this program, our school needs to accrue a minimum of \$50,000.00 in total purchases by April 23, 2011 in order to receive 1%, or \$500.00. If we all get involved, we can do it! Visit www.frysfood.com/coolcash for info.

Safeway contributes up to 3% of eligible purchases to our group through the **eScrip** program. Supporters can link their Safeway Club Card online by visiting www.escrip.com. Search for **Tempe Montessori Parents' Organization** or **Group ID 164753641** and follow the enrollment instructions. During the registration process you can also link your credit and debit cards to earn money for TMS while you shop online and dine at participating restaurants. Visit the website for complete details.

Albertson's no longer has a shopper's card, but does give back to organizations like ours through the Community Partners keytag program. Present your keytag for scanning every time you shop, and Albertson's will donate 1% of the total sales per quarter up to \$50,000.00, and 5% of sales above \$50,000.00. If you shop at Albertson's, please contact Jodi Jones to receive a keytag.

Stay tuned for information on ways we can earn money through **Target and Fresh & Easy**. **This is such a great way for our school to earn money with very little effort. Ask your relatives, friends, and neighbors to link their shopper's cards too. Every little bit helps! And as always, keep saving those Box Tops, Coke codes, and Campbell's soup labels.**
